## **17<sup>th</sup> Oceania Masters Squash Championships**

The Samoa Squash Rackets Association is very pleased to host the 17<sup>th</sup> Oceania Masters Squash Championships. We invite all squash players from around the globe to join us in Apia for what will be a fun-filled and exciting week of squash and relaxation in the beautiful and tranquil islands of Samoa.

The Masters is timed to coincide with the annual Teuila Festival which showcases traditional Samoan cultural events and other activities, including the prestigious Miss Samoa Beauty Pageant.

We have teamed up with Samoa's leading tourism and event management company, Polynesian Xplorer, to ensure we can deliver the best possible experience for you while you are in our shores. Apart from playing squash, we have a host of other activities you can take part in to make your stay as enjoyable as possible.

Please find attached our pdf brochures of the 'Special Accommodation Packages' developed exclusively for the 2010 Oceania Squash Masters for your perusal. Please go to the Polynesian Xplorer website [www.polynesianexplorer.com](http://www.polynesianexplorer.com) which will host the tournament information. We will update you regularly via this website on progress with the preparations for the tournament and other relevant information. We are in the process of finalising the entry and registration forms and we will notify you as soon as these are available online.

How do you get to Samoa? Polynesian Blue and Air NZ operate daily flights to Apia from Auckland. Polynesian Blue also operates 3 flights a week from Sydney and Brisbane. Air NZ operates once a week from Los Angeles and Air Pacific has 3 flights a week from Nadi. We suggest you book well in advance to secure a cheap airfare during our popular tourist season.

In the meantime, please feel free to email any of the following for any further information:
